POST CONSTRUCTION CLEANUP IN VENTURA COUNTY

As construction season ramps up, with the prices of materials finally easing, many property owners, contractors, and developers are moving forward with long-anticipated projects. However, even the most meticulously constructed buildings aren't truly complete until they've undergone a thorough and detailed cleaning. At Kelly Cleaning, we believe that no project is finished until it's spotless, move-in ready, and shines with perfection.

Our janitorial service is designed with precision and care, specifically for high-end construction and private projects. We understand that the final touch—those minute, detailed cleanings—makes all the difference when handing over a new...

...home or building. It's not just about making it look good on the surface; it's about ensuring that every nook and cranny is flawlessly clean and ready for occupancy.

Kelly Cleaning employs advanced techniques and state-of-the-art equipment to deliver unparalleled results. We use HEPA-filtered vacuums to trap even the finest airborne particles, ensuring that the air quality within the building is as pristine as its surfaces. Microfiber cloths are employed to protect delicate materials, preventing scratches or marks on glass, countertops, and other sensitive areas. Every aspect of our service is about detail and perfection, ensuring that when we hand over the building, it feels as good as it looks.

We cover every corner, from the ceiling to the floors, to make sure that nothing is overlooked. Whether it's removing construction dust, cleaning windows, polishing surfaces, or any other detailed task, our expert crews have the experience and equipment necessary to make your property shine.

As the building season gains momentum, now is the time to start planning for that crucial final step. Don't let your project be incomplete—let Kelly Cleaning step in to ensure your property is more than just finished; it's perfected. Because at the end of the day, the property isn't finished until it's move-in ready.

Ah, lads and lasses, gather 'round! If ye want to keep a tidy home and stay ahead of the dust and grime, you'll need the proper tools in your cleaning arsenal. Let me tell you, there's nothin' quite like havin' the right gear at hand when the muck starts to gather. Here's a wee list of essentials every homeowner should have to keep their abode spick and span: First up, the tools of the trade:

- 1. Flat Head Mop System:** Say goodbye to those old string mops. The flat head mop is easier to use and does a much cleaner job. It's especially grand for getting into corners.
- 2. Scrubbing Pads:** Keep a mix of abrasive and non-abrasive pads. The abrasive ones are for when ye need to put some muscle into it, and the non-abrasive pads are perfect for more delicate surfaces.
- 3. Microfiber Rags:** These are a must-have, folks. They pick up dust like nobody's business and won't scratch your surfaces.
- 4. Vacuum Cleaner:** If you've got carpets or rugs, a good vacuum is indispensable. Trust me, nothing beats it for keeping the floors fresh.
- 5. Telescoping Pole with a Dusting Attachment:** For those hard-to-reach spots, this wee tool is a lifesaver. Perfect for ceilings, fans, and high corners.

And now for the potions and lotions:

- 1. Neutral Floor Cleaner:** I recommend Kelly Cleaning's very own Shorn N' Begorn. It's got optical brighteners that'll leave your floors lookin' as fresh as a daisy.
- 2. Tile/Porcelain Cleaner:** A bit of Obrite Tile Cleaner will do wonders on your tiles,...

- makin' them sparkle like the sun.
- Degreaser: For the grease that builds up, especially in the kitchen, you'll want Blarney Buster or, for the really tough jobs, Citrisolve.

And there you have it! Equip yourself with these essentials, and you'll be ready to tackle any mess that comes your way. You can find all these fine tools and solutions at Kelly Tech Center, our janitorial supply store, located at 2300 Knoll Dr. Suite B in Ventura. Sláinte to a clean and happy home!

Sláinte (Slon-che) = Cheers!

Sláinte to our Cleaner of the Month for July, Korina Castro! Since she started working with Kelly Cleaning in 2020, Korina has proven herself to be an exceptional janitor and an even better person. Her clients and her supervisors can't stop raving about the fantastic work she does, always going above and beyond to ensure every space she touches shines. Korina's dedication, attention to detail, and warm personality make her a true asset to our team. We're incredibly proud to have her with us, and we know our clients feel the same way. Here's to you, Korina—keep up the great work! 🌟🧹

Summer is heating up in Ventura, and there's no shortage of activities to keep you entertained from now until the end of August! The highlight of the season is the Ventura County Fair, which runs until August 11th. From thrilling rides and games to delicious fair food and live music, there's something for everyone. Don't miss the rodeo at the Main Stage Arena, kicking off at **7 PM during the final weekend**—it's bound to be a thrilling spectacle.

But the fun doesn't stop there! **Every Saturday**, you can stroll through the bustling Farmers Market on the 200 Block of E. Main Street, where local vendors offer fresh produce, handmade goods, and more. **On August 16th**, gather your family and friends for Movie Night Under the Stars: Goonies at 1196 Portside Drive, starting at 8 PM. If you're up for an adventure, head to the Wings Over Camarillo Air Show on **August 17-18th** at 555 Airport Way, Camarillo, where you'll witness spectacular aerial performances. With so much happening, Ventura is the place to be this August!
