# SIERGE'S SOLUTION

## Dia Dhuit (Jee-ah ghwitch) = Hello!

Dia Dhuit, lads and lasses! When it comes to keeping your restroom spotless, there's no room for half measures. Grab the right tools, and ye'll be well on your way to a gleaming, fresh-smellin' loo!

Start with a solid toilet brush for scrubbin' those hard-to-reach spots. Pair it with color-coordinated microfiber rags to avoid cross-contamination—what ya clean the sink with shouldn't touch the loo!

For that extra sparkle, you'll want Kelly Cleaning's **O'brite Tile Cleaner**—it tackles hard water deposits, soap scum, and even lime scale with ease. It's perfect for your sinks, shower walls, and tiles. Just give it a wee test on a small patch first!

And for floors, don't forget **Shorn N' Begorn**, our neutral cleaner that's gentle enough for travertine and marble, but strong enough to bring out a shine with optical brighteners.

Pick up these lifesavers at the **Kelly Tech Center on 2300 Knoll Dr., Suite B** in Ventura. Your restroom will thank ye! Sláinte! 🍷🌟
